To all our fellow Eritreans,

A year ago in an unprecedented way, a true Eritrean hero demonstrated to the whole world, courage and defiance in the face of a tyrannical and unmerciful regime. The great sacrifice of this hero, emboldened and ignited the spirit of resistance and struggle in many justice seeking Eritreans.

We invite you all to join us in honoring Eritrea's hero, HAJJI MUSA MUHAMMEDNUR in the first anniversary of the Akhria uprising. The details of the event are seen in the accompanying flyer below. Thank you,
